

CALM ACT CERTIFICATION

This is to certify that:

1. As required by Section 76.607 of Title 47 of the Code of Federal Regulations, all commercial advertisements embedded in programs carried on NY1 ("Network") are in compliance with the loudness control practices contained in Advanced Television Systems Committee (ATSC) A/85: Recommended Practice: Techniques for Establishing and Maintaining Audio Loudness for Digital Television ("ATSC A185 Recommended Practice") at the point of distribution by Network to authorized reception equipment of downstream multichannel video programming distributors.
2. Compliance with the ATSC A185 Recommended Practice is determined by Network through the use of equipment and associated software that is installed, utilized and maintained in a commercially reasonable manner.

NY1
IP VIDEO PROGRAMMING CAPTIONING CERTIFICATION

NY1 ("Network") hereby certifies that it does not stream or transmit video programming in Internet Protocol ("IP") in a manner or of a type that requires it to provide closed-captioning and/or video descriptions pursuant to the rules promulgated by the Federal Communications Commission and codified at 47 C.F.R. §§ 79.1 et seq. as those rules exist as of the date of this certification. Accordingly, Network does not currently insert closed captions or video descriptions in any IP programming stream.

In the event that a change in Network's provision of IP video programming or a change in the applicable law requires compliance with these rules, NY1 will provide reasonable notice of such change and an updated certification as agreed upon by the parties.

Executed this 3rd day of January, 2018.

By:

A handwritten signature in black ink, appearing to read "Daniel Ronayne", is written over a horizontal line. The signature is fluid and cursive.
